5. Structure of SB Operations Course Reviewed

Chief, SB Division, recently reviewed the schedule and content of the SB Operations Course and is pleased with results being achieved. He noted, however, that demands on the time of senior SB Division officers are making serious inroads on their operational duties. He is also concerned about possible duplication in various courses in which his officers are participating. Assured that OTR is also very sensitive to problems of duplication and that course content is constantly reviewed to avoid overlap, C/SB appeared to be satisfied on this point.
